## **BRAD GRANT**

### **What qualifications, knowledge and experience skills do you bring to the Board?**

After serving 24 years in Defence and 15 years with BAE Systems Australia, I have performed many roles and have gained many formal qualifications. I am currently a Quality Manager and Work Health and Safety Rep for BAE Systems. This role has allowed me to gain experience in Process Management, Auditing, Incident Investigation, First Aid, Emergency Control & Security.

While in the RAAF, I specialised in Weapons and Weapon Systems on the F-18 Hornet. This gave me experience mainly in Safety. I also spent 11 of my 24 years in the RAAF as an Instructor. This allowed me to work very closely with people from varying backgrounds. Knowing how to deal with such a wide range of people can be a very handy skill as a Director.

My background in Quality enables me to examine processes or think of better ways to perform tasks when looking at new or emerging work, where my background in safety can also be quite handy when performing or discussing any issues related to activities involving people.

I am easy to talk to and get on well with most people.

### **What would you like to achieve as a Board Member?**

I am passionate about being part of the Board/committee that helps build the RTBC into one of the best 'Clubs' in NSW. I really believe that we are in a position to grow the club into one that will be a major draw card for some of the major bowls tournaments and social gatherings in years to come. The club has the footprint to grow, and with the strong social membership that is growing every month, I believe that we can upgrade the club into one that draws people in from miles around to enjoy the facilities on offer. Bowls is continually growing in our local area due to the great work that has already been done by committed people in the past. I want to be part of the next group of people who now propel the club to being the venue of choice for many years to come.

### **What length of service as a director do you have at RTBC or any other club?**

I am completing my first term as a Director at the RTBC. I have not been a Director at any other club or business before. I have very much enjoyed the last 2 years. I believe I have contributed well to the decisions made by the Board and fitted in reasonably well into the Board dynamics. I hope that I can continue to serve the club, its members and its guests for at least another 2 years to come.
