

BRAD HICKEY

What qualifications, knowledge and experience skills do you bring to the Board?

I have been a member of Raymond Terrace Bowling Club for the past 7 years as an active full bowling member and hope to continue my bowls and membership for many years to come.

I have previously been a secretary for my former football club in Mudgee and held that position for 3 years prior to moving to Raymond Terrace.

Currently I work full time at Tomago Aluminium as a Grade 6 metal scheduler which is the highest position in my work area and I have also represented my department as a member of the Health & Safety committee for the past 3 years.

My supervisor has also put my name forward to participate in a Cert 4 Trainer/Assessor program to be completed this year.

What would you like to achieve as a Board Member?

A better understanding of the operations and procedures of the club and hopefully enhance my own knowledge and experience.

What length of service as a director do you have at RTBC or any other club?

I have not previously been a director.
