## **GAIL LEWIS**

### **What qualifications, knowledge and experience skills do you bring to the Board?**

I spent my working life in finance. Having owned several businesses over the years I feel my knowledge and experience is of value to the Board. Being able to relate to people and understand what is needed to achieve goals set for the future of our club is important. I feel that I am capable to assist in making positive decisions on the Board for the club.

### **What would you like to achieve as a Board Member?**

My goal is to put forward suggestions for the improvement of the club and support and promote current projects that are coming up.

As a female, I hope to promote the ladies views within the club and keep the ladies interested in attending our bowls days and supporting our club as active members.

### **What length of service as a director do you have at RTBC or any other club?**

I was on advisory committee at Westport Bowling Club (the first female) for 2 years until I moved back to Newcastle in 2011.

I was elected to the Board of RTBC as Treasurer in 2015 the position I still currently hold.
