## MERVYN AUNGER

### **What qualifications, knowledge and experience skills do you bring to the Board?**

I became a Raymond Terrace resident in 2002 and shortly after became a social member of RTBC and later a full bowling member. I was given the chance to become more a part of RTBC as a Board member in 2011 which was, among other things, the highlight of my membership.

I believe many of my qualifications come from my experiences serving 25 years in the military. Always needing to work effectively as a team member. I also found my positive leadership skills when working security for high profile politicians (PM). The experience I have had being part of the Board I believe have been positive due to the guidance from great Board members and the easy going friendly rapport I have socially among the Clubs members and visitors.

### **What would you like to achieve as a Board Member?**

My vision for the club as a Board member is to continue to work closely and positively to achieve all goals and continue to maintain the already friendly social environment for all. I would like to remain as a Board member to help the CEO, staff, members and visitors to move forward in all aspects of expanding our club, in bowling, friendship, members and many new enterprises.

### **What length of service as a director do you have at RTBC or any other club?**

My position on the Board at RTBC commenced in 2011 and even though it was my first experience as a Board member I have found it to be interesting and very rewarding. I resigned from the Board in 2013 for a period of time and was very pleased to be re-elected in 2015 and currently remain on the Board and hold my position in high regard.
